Dear Phyllis:

This picture will give you a rough idea of Mr. Donovan's opinion of the Taft-Hartley labor law. It was taken at a mass meeting on the lake front to protest this legislation, June 17th.

He thinks it would be a fitting companion piece to the picture you have just outside your office of Mr. Bittner, who, he said, also "had his mouth open all the way."

I hope everything is going well with you and that you are well and happy. Give my regards to Katherine.

Yours,

Ina E. Brown
