ARMY MEDICAL SCHOOL

Washington, D.C. WWS/RLM

November 14, 1918.

Memorandum for Colonel Dapray;

In compliance with your request, Mr. Henry A. Mackey has been examined at this School to-day, with special reference to the condition of the right ear.

At the present time the right ear shows no progressive disease. There is no discharge from this ear to be made out at the present time.

It is the opinion of the examiner that this man is suffering from no disease that would be spread by intimate contact with his fellows. This trouble in no way interferes with drill. He is, however, completely deaf in the right ear.

(Signed):
Wm. W. Southard,
1st Lt., Medical Corps, U.S.A.

(GFK)

Official copy furnished for the information and guidance of the University Authorities.

1. It would seem, in the light of this medical report, that this man, having been received back in the Catholic University, should be included again in the military department to which he still belongs.

BY DIRECTION OF THE COMMANDING OFFICER:

Matthew M. Levy,
2nd Lieut., Inf., U. S. A.,
Adjutant.
