of white or yellow
pyrites & flint stone
over piece of touchwood
in small bag.

Comeau, rap. Life & Spirit on No Shore
Illumination Montagnais

228-29 Author tells how
astonished the Indians
were upon seeing our
fire block & drill, and
said they had never
heard of fire being so
obtained in their tribe.
Author showed them how
he could either burn
their fingers or light a
fire with a piece of ice.
