Band music is presented by the cooperation of the Chicago Federation of Musicians, Local 10 of the American Federation of Musicians, through a grant from the Music Performance Trust Fund of The American Phonograph Industry.

The Trust Fund is an extension of public service originated by the A. F. of M., James C. Petrillo, President, through its Recording and Transcription Fund.

The Christian Rural Overseas Program (CROP) is sponsored by Catholic Rural Life — War Relief Services; Church World Service, serving 29 Protestant denominations; and Lutheran World Relief of the National Lutheran Council. CROP solicits farm commodities from rural America for bulk shipment overseas and distribution by church agencies. Distribution in 32 countries of Asia and Europe is made on the basis of need.

Since its beginning in 1947, over 5,400 carloads of commodities have been contributed from 33 states. The CROP Friendship Food Ship, destination Bremen, Germany, carries the first of the 1951 season.

CROP's national office is at 308 West Washington Street, Chicago 6, Illinois.
